

Aporo[®] Mariri Red^{PVR}

Braeburn has earned itself a place on the World-market. The variety is productive and not susceptible for bi-annual bearing. The Braeburn-clone with the best colouring is Aporo[®] Mariri Red.

- **The most planted Braeburn-clone in Europe**
- **Optimal colouring**
- **Available as certified Virusfree**
- **Alternative for Club-varieties**

The number one in Europe!
